Meeting Date: June 21, 2021

***Request for the Approval of an Interagency Agreement with the
State Treasurer’s Office for Support provided by the State
Treasurer’s Office Executive Office, Administration Division, and
Information Technology Division***

Prepared by: *Nicholas Montalvo*

Summary. The California Pollution Control Financing Authority (the “Authority”) enters into Interagency Agreements (“IA”) annually with the State Treasurer’s Office (“STO”) for support services performed by staff within the STO. This item requests approval to enter into an IA in the amount of \$491,156 for continued support services for Fiscal Year 2021/2022.

Background. Through IAs, the STO provides budgeting, personnel, accounting, legal, information technology, information security, Executive Office (policy direction and guidance), reporting, and other administrative support services for the Boards, Commissions, and Authorities (“BCA”) chaired by the State Treasurer. The management from the Authority and STO will meet regularly to prioritize and plan for CPCFA’s existing and expanding program administrative support and coordinate on all required reports to control agencies. The overall cost is allocated among the BCAs based on each BCA’s personnel years. The proposed IA for Fiscal Year 2021/2022 is attached as Exhibit A.

Prior IA amounts from Fiscal Year 2008/2009 through Fiscal Year 2020/2021 are listed in the chart below. The amount of the proposed IA for Fiscal Year 2021/2022 is a reduction from Fiscal Year 2020/2021. The contract costs are based on the number of full-time positions within each BCA. During the most recent Fiscal Year, CPCFA operated with a smaller staff size compared to previous years, resulting in a reduction in CPCFA’s share of overall support costs.
